

**AIRBRIDGE**  
Express

Hello everyone?

As part of our mission to make transportation logistics products and services simple and understandable, we are happy to provide air transportation logistics services under the name of "Airbridge Express" and bring the service closer to you.

We offer our customers a wide range of products and services for on-time and quality air cargo transportation, and we strive to maintain active and stable relationships with our customers throughout the entire shipping process.

Air transport is rapidly and continuously changing in terms of demand and capacity. In this volatile environment, we can take care of your air freight operations, allowing you to focus on your core business.

"Airbridge Express" team will always try to be an air bridge connecting the continents and world and to be a reliable partner for long-term cooperation of customers and clients.

May your work be full of success and send airplanes full of goods!

SINCERELY,

Chief Executive Officer:

Bayartsengel.B

*Connect the continents*

Since its establishment in 2008, "Landbridge" has been aiming to provide its customers and partners with a professional and easy-to-understand complex transport logistics services, guided by the vision of **TO BE THE BEST CHOICE FOR INTERNATIONAL TRANSPORT LOGISTICS SERVICES.**

During this period, we delivered the transport and logistics products and services to more than 50,000 customers in 2,500 locations in 90 countries on 5 continents with all modes of transport. Currently, Landbridge Company is expanding its operations in the field of international transport and logistics with more than 250 professional personnel and working with the following goals.

- Making international transport and logistics services with high-quality, easy, and understandable
- To create the ability to implement the best solutions, ideas and methods of transport and logistics
- To deliver all types of transport and logistics comprehensive services to our customers

As a manifestation of this goal, we are proud to present our air transportation products and services to our customers as an independent company called "Airbridge Express" with a specialized team.

Тээвэр логиستيкийн мэргэжлийн шийдлийг...

Airbridge Express offers its customers a comprehensive solution of speed, time and quality to meet the needs of each transport order.

By focusing only on air transport products and services, we will have the following advantages for our customers.

- As the volume of orders shipped by air increases, the shipping cost per unit order will decrease.
- By regularizing the flight schedule, the possibility of delivering each order on time will increase.
- By developing a customized solution for each client, we create fast, efficient and flexible cooperation.

"Airbridge Express" company is not an air carrier, but a third-party logistics service provider and has the advantages of comparing the cost of suitable conditions, time and routes in accordance with the characteristics of the cargo and the customer's business requirements, offering a variety of transportation routes, and organizing transportation with quality.

## VISION

TO BE THE BEST CHOICE FOR AIR FREIGHT SERVICES

## VALUE

A trusted and recognized partner relationship

Simple, clear, comprehensive and professional service

Competent staff who specialize in their work

A business model for growth, efficiency and continuous improvement

## AIRBRIDGE

No matter how big or small the cargo you need to move your business, we will save your golden time by transporting your cargo safely and on time. We understand that cargo, regardless of its size, is shipped because it needs to move a huge business universe.

We work with many world-renowned major freight forwarding companies. Using this advantage, your cargo has been delivered not only limited to air, but also combines air, sea, rail and road transport to all corners of the world.

EVERY CARGO IS VERY IMPORTANT TO US

WE WILL COMBINE WITH ALL MODES OF  
TRANSPORTATION FROM ANYWHERE IN  
THE WORLD

NEW WAY, NEW SOLUTION

GUARANTEED BY THE QUALITY

Mongolia is located in a landlocked region. Therefore, we are always looking for new routes and products of air transportation and improving our services depending on the economic, social, natural, climatic and other conditions of neighboring and third countries.

"Airbridge Express" company standardizes its products and services with comprehensive solutions that can meet the needs of customers with quality.

# EACH CARGO HAS ITS OWN CHARACTERISTICS

Your cargo may be perishable, require fast delivery, or be of various shapes and sizes. We organize transportation by providing transportation methods, technologies, techniques, and equipment that match the characteristics of the cargo.

We take into account factors such as the characteristics of your cargo, the frequency of loads, and the time it takes for the cargo to be ready, and we offer solutions that reduce costs and save time for the customer.

Cargo that does not fit in the passenger plane doors will be unpacked, packed according to the characteristics of the cargo, and loaded and unloaded using special equipment.

According to the client's request, advice will be provided at all stages, starting from the preparation for sending the cargo to receiving and processing.

-  General cargo
-  Dangerous goods
-  Medicines and medical equipment
-  Temperature controlled cargo
-  Oversized cargo
-  Perishable cargo
-  Sensitive and fragile cargo
-  Others

Where logistic solutions are needed..

# AIR TRANSPORT PRODUCTS

## AIRBRIDGE CHARTER FLIGHTS

A chartered flight is the transportation by the whole aircraft for the specific cargo only when the cargo needs to be transported urgently. The flight is Airbridge's fastest cargo service and available 24/7/365 to transport cargo anytime, anywhere in the world, in the shortest possible time and risk-free.

## AIRBRIDGE EXPRESS FLIGHT

The service is available for direct flights from one airport to another. It is a service that will be delivered within 1-3 days after placing the order.

## AIRBRIDGE CONSOLIDATED CARGO FLIGHT

Consolidated cargoes to be loaded on the aircraft. The service of consolidating cargoes that do not fill the entire aircraft into one aircraft. Flight will be arranged according to the schedule announced by us.

## AIRBRIDGE SCHEDULED FLIGHT

A cost-effective transportation service that does not require immediate delivery of the cargo, and can be connected to the available flight schedule. It can be delivered within 5-7 days, including the transportation arrangement time of transit airports. Airbridge scheduled flights are the most preferred service by customers.

## AIRBRIDGE AIR/SEA MULTIMODAL TRANSPORT

A combined service where cargo is transported by air for part of the journey and by sea in containers for the rest. The time is 80% faster than sea transportation and the price is 40% cheaper than air transportation. The service is affordable and reliable.

## AIRBRIDGE EXPRESS POST FLIGHT

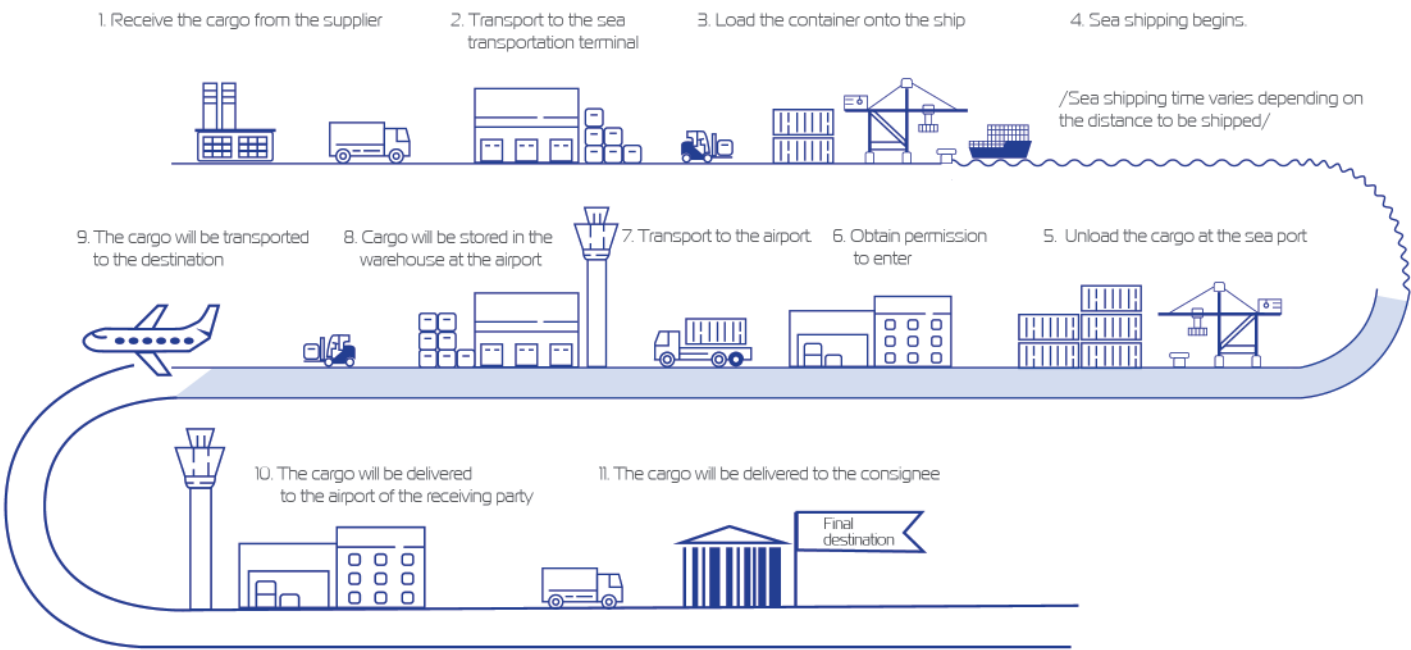

The service is a parcel service that delivers small cargo by express in the shortest possible time.

# MAP OF COMBINED SEA AND AIR TRANSPORT OPERATIONS

Our logistics experts will be part of your supply chain, increasing efficiency and providing quality service in a timely manner.

# HOW FAST DOES AIRBRIDGE SHIP?

**Example:** Cargo arrived in Ulaanbaatar via Incheon from Hong Kong.

Transport terms: EXW Hong Kong, 16 boxes of 182kg cargo

## REASONS TO CHOOSE AIRBRIDGE

### DOOR TO DOOR DELIVERY

We will pick up your cargo from its location and arrange door-to-door transportation.

### ENSURE COMPLIANCE OF DOCUMENTS

We regularly update information about the internal conditions, regulations and documentation requirements of the country of shipment. Therefore, you can entrust us with the customs clearance of cargo, security, licensing requirements and the preparation of documents required by the country's regulations.

### EVERY SHIPMENT IS INSURED

Risks can arise at any time. Therefore, you, the customer, can get insured transportation services without paying additional insurance premiums under the terms and conditions that we offer.

If you want to get insurance with more conditions, we can be your insurance broker.

### TRANSPORT INFORMATION AND CONSULTING

Depending on what kind of shipping needs do you have, what type of service is best to choose, etc. we will give you all the information related to shipping?

### COMPREHENSIVE CUSTOMS SERVICES

You don't need to waste time sending someone to do customs clearance when you pick up your cargo in Ulaanbaatar or send it from Ulaanbaatar to anywhere in the world.

We offer customs clearance services. Also, don't waste your time on services such as declaring your cargo to customs, collecting taxes, and going through customs. We provide these services to you at no additional charge.

### TRACKING AND TRACING

You want to know where your cargo is going, as if you were traveling with your cargo, right?

You, the customer, can receive information of movement of cargo in the following ways, from the starting point to the final destination.

- Cargo traffic information will be delivered to the registered e-mail address and phone number every time it reaches a certain point during the transportation.
- The logistics specialist responsible for the information related to the transportation you ordered will be informed each time.
- You can log in to the electronic transport system by entering your login name and password and check the transport route information.

## ELECTRONIC FREIGHT FORWARDING SERVICES

- ✓ Get a quote for transportation
- ✓ Make a transport order
- ✓ Control your freight payments
- ✓ Get historical shipment information and traffic information

## INFORMATION REQUIRED FROM YOU RELATED TO FREIGHT RATE INQUIRY

### PLACE OF DEPARTURE

You choose whether to ship your shipment from the shipper's warehouse or the airport.

### FINAL DESTINATION

You choose whether to transport your goods to the airport or to the consignee's warehouse.

### CARGO FEATURES

Information on the length, width, height, weight, quantity and characteristics of the cargo will be required.

### SHIPPING TIME

It takes a very short time to get the shipment from the shipper to the air carrier. Therefore, you can make your pre-booking as soon as possible to secure a slot on the scheduled plane and be able to ship it on schedule.

### ADDITIONAL SERVICE

You can let us handle customs clearance. You can also get information in advance on what documents to submit.

## TOGETHER WE WILL CREATE MORE

**KHULAN. M**  
Air freight tariff specialist

I am grateful to have started my first career at Landbridge LLC, which has skilled, experienced, professional colleagues and has its own positive organizational culture. I spent four years with my colleagues, where I learned a lot. I believe that a person who is sincere in the work and works can create value, so I am working hard to make a valuable contribution to the development of the aviation industry in Mongolia. We will be the air bridge connecting the continents for our customers.

**TSOGT. N**  
Sales specialist

I am happy to work with a team of professionals with many years of experience. We work diligently as a team with the desire to do better by providing reliable and fast service to our customers, and getting energy from the appreciation of our customers. We are grateful to all our customers who trust us and fully commit their cargo transportation.

**BATDULGUUN. G**  
Customs broker

It has been 5 years since I have been working with a team of experts and leaders in the field. Our team is dynamic and has a beautiful culture established within the company. I am happy to work as a part of the team. As a person who often interacts with customers at the terminal and works closest to the transported cargo, it is a good feeling to hand over the cargo to the customer intact and hear the words "Thank you, see you when pick up the next shipment." Good luck to all colleagues!

**DAVAAKHUU. T**  
Customs declarant

I am very happy to have been working with energetic and friendly colleagues in the company according to my profession after graduating from my chosen profession. I rush to work in the morning and tries to be fast and energetic in order to quickly deliver the goods to the customers in a race against the clock. Also, I am proud of myself as a member of the customs office or border customs at Chinggis Khan International Airport and always tries to be responsible in my work. I think the best and happiest way is to finish any work sincerely and hurry back to your family.
